Adds Insult to Robbery

A prominent New York Editor says: "The man who tries to make you take an inferior article instead of the thing you really want adds insult to robbery. He admits that he thinks you do not know what you want, and that you haven't very much brains anyhow. He imagins that you can be changed by the last words you hear, that because he offers to sell you for a few cents less an utterly worthless *substitute* you will take that in place of what you actually want and need."

DR. PIERCE'S FAVORITE PRESCRIPTION is the ONLY medicine for woman's peculiar ills which contains no alcohol and the only one the makers of which are not afraid to publish all the ingredients in plain English, on every bottle-wrapper. Is this not significant?

DR. R. V. PIERCE.

A full list of its ingredients, attested under oath, stands as a BADGE OF HONESTY on every bottle-wrapper. It is also guaranteed under the Food and Drugs Act of June 30th, 1906—Serial No. 21.

All letters of consultation are treated as sacredly confidential and answers returned in plain envelopes. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., 663 Main St., Buffalo, N. Y. Invalid women in need of experienced medical advice are invited to write; consultation costs you nothing.

Words of Praise from Our Patients.

These letters have been freely given by those who have felt grateful for the relief obtained.

As we wish to spare our patients who have given us the testimonials in this book, unnecessary correspondence, we have omitted addresses; but, any sufferer who desires to write to any one of them will be given the address promptly, if the request is made to us.

Prolapsus and Displacement.

"I would not feel as though I had done my duty unless I expressed my mind and thankfulness to you for the good you have done me," writes Mrs. M. L. Moats. "Had it not been for your medicine life would not be spent in restored health and happiness as I find it to-day. My health was all broken down, about a year ago, as I explained to you in my writings. The weakness had been growing on me for several years but it had not caused me much trouble until about a year ago. I doctored with two doctors but grew worse. One doctor told me I would never get well until I had an operation, but to that I would not consent. One morning as I was feeling bad and very much discouraged, and knew not what to do next, the thought came to me to read Dr. Pierce's book to see if there was anything there that would encourage me. I read the letters from so many ladies, stating how their health had been restored that it was encouraging for me to try this wonderful medicine so I wrote to Dr. Pierce stating my ailments. I am sure a mother could not have given her daughter more kind advice than Dr. Pierce gave me. I followed his instructions—got three bottles of 'Golden Medical Discovery' and three of 'Favorite Prescription.' I was so bad that I could not be on my feet long enough to wash the dishes or even sweep the floor. I only took the medicines a couple of days until I began to feel better. It is wonderful how much good your medicines did me in so short a time. I have now taken six bottles and can truthfully say that I never feel anything of the weakness any more. I am in perfect health and had I the power I would certainly influence all suffering ladies to at least try Dr. Pierce's medicines as I am sure these remedies would be of great benefit to them. I thank Dr. Pierce for his kindness, and may God's blessing ever rest upon him for the good his medicines can do."

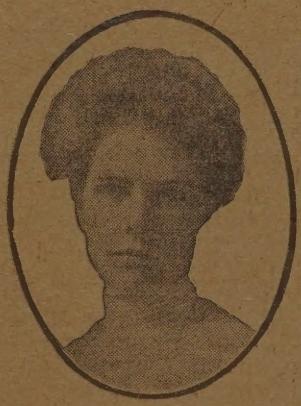
Severe Nervous Dyspepsia.



MRS. ASHTON.

"One year ago I was taken with a terrible attack of pain through the stomach," writes Mrs. W. E. Ashton. "My whole body was torn and racked with pains through the stomach, under the shoulder blades and around the heart. My doctor pronounced it neuralgia. For seven weeks my stomach was so weak that all the nourishment I could take was prepared food. I got absolutely no relief from the doctor's medicine. I had often heard of Dr. Pierce's Medicines and as a last resort decided to try a bottle each of 'Favorite Prescription' and 'Golden Medical Discovery.' I have now taken five bottles of Dr. Pierce's Favorite Prescription and three bottles of his 'Golden Medical Discovery' and I am convinced that I am cured. I can eat and sleep well and am fleshier than I have been in years. I thank Dr. Pierce for my good condition to-day."

Before Baby Was Born.

MRS. MUSSELWHITE.

"It is with pleasure that I recommend your medicines," writes Mrs. Margaret Musselwhite. "I truly believe they will do all you recommend them to do. I took five bottles of your 'Favorite Prescription' and four vials of 'Pleasant Pellets' before my first baby was born and had an unusually short and easy confinement. My baby weighed only five and one-half pounds at birth, but grew and fattened, and is healthy and hearty still. He is only three and a half years old but is as bright and intelligent as a six-year-old child. I furnished an abundance of nourishment for him until he was weaned which was at eighteen months.

"You have my most heartfelt thanks for the great benefits which I have derived from the use of these remedies, also for your kind, fatherly letters of advice."

Weak Over-worked Women

Who are broken down and made invalids by the drudgery of never ending household cares and duties, or by over-frequent bearing and nursing of children, and many other cares, burdens and strains which the weaker sex have to bear, are deserving of profound sympathy. But while sympathy is commendable what these unfortunate women *most* need is a good, honest, square-deal *Restorative Tonic and Strength-giving Nervine and Regulator*—one compounded and carefully adapted to act in harmony with woman's peculiar, delicate, ever sensitive organization.

Who so well fitted to select, carefully proportion the ingredients and compound a remedy for the cure of these distressing and often pain-wracking weaknesses and derangements, as the carefully and thoroughly educated and regularly graduated physician who has had a long and successful experience in treating just this class of cases.

Dr. Pierce's Favorite Prescription

THIS MEDICINE IS

THE ONE REMEDY Now, and for over 40 years, sold by druggists for Woman's Peculiar Weaknesses, and Distressing Ailments, gotten up by one having all of the above qualifications.

THE ONE REMEDY which absolutely contains neither alcohol (which to most Women is rank poison) nor injurious or habit-forming drugs.

THE ONE REMEDY which is so perfect in its composition and so good in its curative effects as to warrant its makers in printing its every ingredient, as they do, on its outside wrapper, verifying the same under solemn oath.

In all the above most important particulars, the "Favorite Prescription" *stands absolutely alone*—in a class all by itself—as woman's most reliable and trust-worthy remedy in time of sickness and distress. Best medical advice given *free*.

MRS. HERMAN.

Painful Menstruation.

"It is with pleasure I write telling you the good your valuable medicine has done me," writes Mrs. Fred M. Herman. "I can cheerfully recommend it to anyone suffering as I did for nearly five years with painful menstruation. I have taken two bottles of 'Favorite Prescription' and used two boxes of 'Lotion Tablets,' and during the last two months I suffered only a few minutes. I have never felt better in five years than now, and I will praise your medicine highly wherever I may go."

There is one, and just one remedy, tried and proven, that will put things right when the feminine organism is weak or diseased. It is Dr. Pierce's Favorite Prescription. This medicine restores perfect health to the weakened organs and makes them strong.

It makes wifehood happy and motherhood easy. It makes childbirth short and almost painless. It helps to make real "new women." An honest druggist won't urge upon you a substitute.

Cured After Doctors Failed.

"It is now six years since I was cured of female trouble by Dr. Pierce's Favorite Prescription," writes Miss Mabel Pring. "When fifteen years old I contracted a heavy cold which settled in the internal organs, making me very wretched. I suffered dreadful pains from irregularity for nearly a year, although I was doctoring all the time. On the advice of a neighbor I began to take Dr. Pierce's Favorite Prescription, and in three months was entirely cured. Have rarely known a pain in all these years."

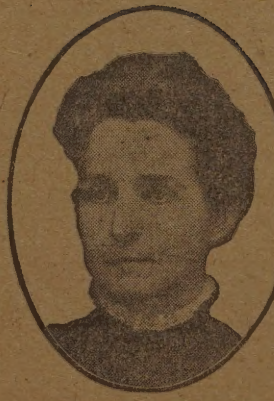
Uterine Disease.



MRS. JOHNSTON.

"I suffered with uterine disease complicated with displacement, and had great pain in my right side in the region of the womb," writes Mrs. Minnie Johnston, "I took two bottles of Dr. Pierce's Favorite Prescription, one bottle of 'Golden Medical Discovery' and followed your directions, and have enjoyed good health since.

"I take great pleasure in recommending your remedies to suffering women. May you live many years to administer to the suffering and afflicted is the wish of your sincere friend.

"I gladly furnish you with a photograph. I have one that I can send at this time."

Non-Appearance of Menses.

"I shall always recommend Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery,' for these medicines cured me when our physician could give me but little help, and said I was going into consumption," writes Miss Julia Snyder. "I had reached the age of sixteen years and there was yet an absence of the monthly periods. I was in a precarious condition; flesh was inclined to bloat, blood was watery and I had a pale, lifeless appearance, with no ambition. I had severe headaches and could not walk rapidly or go up stairs without getting out of breath when I began to take Doctor Pierce's medicines. I used eight bottles of 'Favorite Prescription' and then the cause of the trouble had disappeared. Upon the advice of one of the physicians at your Sanitarium I continued the use of 'Favorite Prescription,' alternating the doses of this medicine with 'Golden Medical Discovery,' to get my system in a healthy, regular condition. I used these two medicines daily for over a year and was well rewarded for they built me up and I have never been troubled since."

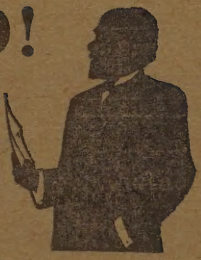
MAKING GOOD!



There is no way of making *lasting* friends like "Making Good"; and Dr. Pierce's medicines well exemplify this, and their friends, after more than four decades of popularity are numbered by the hundreds of thousands. They have "made good" and they have *not* made drunkards.

A good, honest square-deal medicine of known composition is

Dr. Pierce's Golden Medical Discovery

It still enjoys an immense sale, while most of the preparations that came into prominence in the earlier period of its popularity have "gone by the board" and are never more heard of. There must be some reason for this long-time popularity and that is to be found in its superior merits. When once given a fair trial for weak stomach, or for liver and blood affections, its superior curative qualities are soon manifest; hence it has survived and grown in popular favor, while scores of less meritorious articles have suddenly flashed into favor for a brief period and then been as soon forgotten.

For a torpid liver with its attendant indigestion, dyspepsia, headache, perhaps dizziness, foul breath, nasty coated tongue, with bitter taste, loss of appetite, with distress after eating, nervousness and debility, nothing is as good as Dr. Pierce's Golden Medical Discovery.

It's an honest, square-deal medicine with all its ingredients printed on bottle-wrapper—no secret, no hocus-pocus humbug, therefore *don't accept a substitute* that the dealer may make a little bigger profit. *Insist* on your right to have what you call for. Don't buy

Dr. Pierce's Favorite Prescription

Expecting it to prove a "cure-all." It is only advised for woman's *special* ailments.

It makes weak women strong, sick women well. Less advertised than some preparations sold for like purposes, its sterling curative virtues still maintain its position in the front ranks, where it stood over four decades ago.

It won't satisfy those who want "booze," for there is not a drop of alcohol in it.

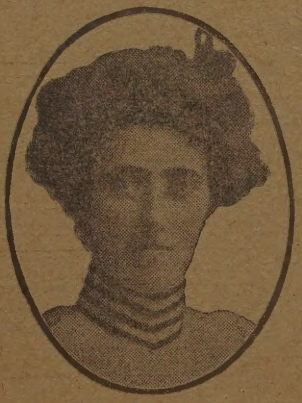
"Doctor Feared Consumption."



MISS TUCKER.

"Last winter I contracted a severe cold which affected my head, throat and lungs, so I had to take to my bed and could not do my work," writes Miss E. Tucker. "I tried several remedies, but gradually grew worse. The doctor feared consumption. Early in the spring, as a last resort, I decided to try Dr. Pierce's medicines. I used six bottles each of 'Favorite Prescription' and 'Golden Medical Discovery.' Under this treatment I grew better rapidly. Soon after I commenced taking Dr. Pierce's wonderful medicines I was surprised at the relief I experienced, I bless the day that I started to take Dr. Pierce's remedies and strongly advise all who suffer as I did to give 'Favorite Prescription' and 'Golden Medical Discovery' a fair trial."

Uterine Disease and Displacement.

MRS. CARHUFF.

"This is to let you know that I have great faith in Dr. Pierce's medicines, especially the 'Favorite Prescription' and 'Golden Medical Discovery,' also the 'Lotion Tablets,'" writes Mrs. Mary Carhuff. "Before I began using Dr. R. V. Pierce's medicines I was a great sufferer with falling of the womb, palpitation of the heart and smothering spells, also terrible headaches, dizziness and sick stomach. Every month, since I was fourteen years old, when I was to menstruate I suffered with cramps, pains and vomiting spells. Then, after my first child was born I was left with falling of the womb, but God lead me to try Dr. R. V. Pierce's medicines and I am thankful for it. If it had not been for them I surely would have gone to my grave. I have taken three bottles of the 'Favorite Prescription' and three of 'Golden Medical Discovery,' and find them a God-send to women.

"Thanks to Dr. R. V. Pierce for restoring me to health. I will recommend him to all sufferers."

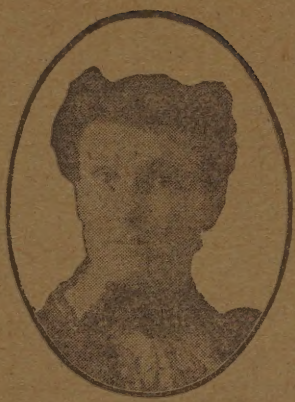
Paralytic Stroke.



MRS. DUCHENE.

"Doctors never gave any name to my disease and said they could do nothing for me," writes Mrs. Emmie Duchene. "I doctored with seven different doctors and they did me no good. I had a paralytic stroke on one side of my body and pain in my breast. At times it seemed as if I would surely die. I also had womb trouble and was not able to do anything. Now, after taking one-dozen bottles of your medicines I am thankful to be able to say I am a well woman. I took six bottles each of your 'Golden Medical Discovery' and 'Favorite Prescription' and am well and strong to-day. You may refer anyone to me."

Dr. Pierce's Favorite Prescription is the only woman's remedy the makers of which are not afraid to publish its ingredients on its wrappers.

Ovarian and Uterine Disease.

"I wrote to you about six months ago for your kind advice in regard to my case," writes Mrs. Lizzie White. "At times I was hardly able to be on my feet. I believe I had every pain and ache a woman could have. Had a very bad case of uterine disease. Ovaries were very much diseased and my back was very weak. I suffered a great deal with nervous headaches, in fact, I suffered all over. Hardly knew what a minute's ease was. This was my condition when I wrote to you for advice. I followed your directions as closely as I could, and was well pleased with the results. I have taken your 'Favorite Prescription' and 'Golden Medical Discovery' for about three months and can now say that my health was never better. I can highly recommend Dr. Pierce's remedies to any woman suffering from female disease, and I do recommend them to every one I see. Have induced several to try your wonderful medicines."

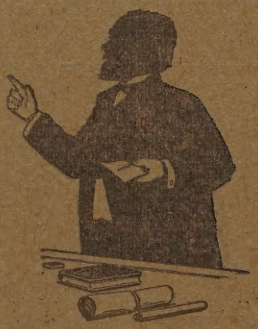
Do You Open Your Mouth



Like a young bird and gulp down whatever food or medicine may be offered you? Or, do you want to know something of the composition and character of that which you take into your stomach whether as food or medicine?

Most intelligent and sensible people now-a-days insist upon knowing what they employ whether as food or as medicine.

Dr. Pierce believes they have a perfect right to INSIST upon such knowledge. So he publishes, broadcast and on each bottle-wrapper, what his medicines are made of and verifies it under oath. This he feels he can well afford to do because the more the ingredients of which his medicines are made are studied and understood the more will their superior curative virtues be appreciated.

For the cure of woman's peculiar weaknesses and derangements, giving rise to frequent headache, backache, dragging-down pain or distress and kindred symptoms of weakness, Dr. Pierce's Favorite Prescription is a most efficient remedy. It is equally effective in giving strength to nursing mothers and in preparing the system of the expectant mother for baby's coming, thus rendering childbirth safe and comparatively painless. The "Favorite Prescription" is a most potent, strengthening tonic to the general system and to the organs distinctly feminine in particular. It is also a soothing and invigorating nervine and cures nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea or St. Vitus's dance, and other distressing nervous symptoms attendant upon functional and organic diseases of the distinctly feminine organs.

It's foolish and often dangerous to experiment with new or but slightly tested medicines—sometimes urged upon the afflicted as "just as good" or better than "Favorite Prescription." The dishonest dealer sometimes *insists* that *he* knows what the preffered substitute is made of, but *you* don't and it is decidedly for *your* interest that *you* should know what *you* are taking into *your* stomach and system.

MRS. HUGGINS.

Stomach Trouble.

"I am proud to say," writes Mrs. Robert Huggins, "that the use of your 'Golden Medical Discovery' has cured me of the worst stomach trouble that any one could have. Last February I was so weak that I could hardly walk across the floor. The doctors told me they had done all they could and advised me to go to Hot Springs, Ark., but I did not go; I took your medicine and now I feel like a new person. Thanks for your free medical advice.

"I can always praise your medicine as some of the best on earth. Words cannot express to you my gratitude."

Painful Periods.

"There would be much less suffering in the world today, I am sure, if all women would remember to use Dr. Pierce's Favorite Prescription when afflicted with the pains peculiar to their sex," writes Miss Virginia Murray. "I make this statement because I experienced relief and was restored to health by this medicine. Some two years ago I caught a cold which settled in the abdominal organs and for many months thereafter I suffered more than I can tell, especially at certain times. I tried several home remedies and finally went to a physician. He advised me to take hot drinks when the pain came and gave me a prescription, but he told me I could hope for little relief except by gradually outgrowing the trouble. I was not willing to suffer so long and decided to try Dr. Pierce's Favorite Prescription. I had used nearly a bottle of the medicine before I noticed improvement but am happy to say I continued using the remedy and the result was that in about four months I was entirely rid of the dreadful pain. I have regained perfect health and feel brighter and happier than for several years previous to trying your medicine."

MISS MURRAY.

Treating The Wrong Disease.

Many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their easy-going or over-busy doctor, separate diseases, for which he, assuming them to be such, prescribes his pills and potions. *In reality* they are all only *symptoms* caused by some weakness or derangement of the organs distinctly feminine. The physician, ignorant of the *cause* of suffering, keeps up his treatment until large bills are made. The suffering patient gets no better by reason of the wrong treatment, but probably worse.

A proper medicine like Dr. Pierce's Favorite Prescription, DIRECTED TO THE CAUSE would have entirely removed the disease, thereby dispelling all the distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said that "a disease known is half cured."

As a powerful, invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For over-worked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, it is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the distinctly feminine organs. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose.

MRS. BRIGGS.

Intestinal Trouble and Vaginal Catarrh.

"Having taken your 'Favorite Prescription' writes Mrs. Brazill Briggs, "for a bad case of intestinal disease and constipation with vaginal catarrh, for which I was almost unable to do anything, I think I am safe in saying that there are no remedies in the world like Dr. Pierce's Favorite Prescription and 'Purifying Lotion Tablets.' I am now enjoying the best of health, and thank Dr. Pierce for his wonderful medicines which have done me a world of good."

Every bottle of Dr. Pierce's medicines is also Guaranteed under the Pure Food and Drugs Act, of June 30th, 1906—Serial No. 21.

Impoverished Blood from Chlorosis.

"I have been so greatly benefited by Dr. Pierce's Favorite Prescription that I wish to express my appreciation of the medicine," writes Miss J. Pauline Benham. "Was in wretched health for some time. My physician said the blood was turning to water, I became a greenish white in color and there was so little color in my blood that one could see the light through my ears. Had neuralgia in head almost continually and was so weak that I could not go upstairs without sitting down to rest at least once. I became very despondent and lost all interest in life. I went to two specialists for treatment but did not improve in health. Upon my return home, a friend of our family advised me to give your 'Favorite Prescription' a trial. I did so and was soon on the road to recovery. In four months your remedy had effected a cure and I have ever since been in perfect health. I shall always recommend your medicine to women who suffer from female weakness."

MISS BENHAM.

People Will Talk

And that's the reason why Doctor Pierce's Family Medicines are advertised so little now-a-days. They have made hundreds of thousands of cures in the past 40 years, and some of the grateful people whom they have restored to health are to be found almost everywhere. There's scarcely a hamlet that don't contain some. Look them up. Interview them. They are living, walking, active advertisements for

Dr. Pierce's Family Medicines.

You can believe your neighbors. Therefore ask them. What *cured them* will very likely *cure you*, if similarly afflicted—only give them a good, *fair* trial.

It's a good, sound, common sense policy to use medicines only of KNOWN COMPOSITION, and which contain neither alcohol nor habit-forming drugs. The most intelligent people, and many of the most successful, conscientious physicians, follow this judicious course of action. The leading medical authorities, of all schools of medicine, endorse the ingredients composing Doctor Pierce's medicines. These are plainly printed on wrappers and attested under oath. There's no secrecy; an open publicity, square-deal policy is followed by the makers.

We have a profound desire to avoid all offense to the most delicate sensitiveness of modest women, for whom we entertain the most sincere respect and admiration. We shall not, therefore, particularize *here* concerning the symptoms and peculiar ailments incident to the sex for which Dr. Pierce's Favorite Prescription has **for more than 40 years** proven such a boon. We cannot, however, do a better service to the afflicted of the gentler sex than to refer them to Dr. Pierce's Common Sense Medical Adviser, a family doctor book of 1008 pages, bound in French cloth and sent post-paid, on receipt of 31 one-cent stamps—to cover cost of wrapping and mailing *only*. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N.Y.

Female Weakness.

MRS. HAYES.

"From the age of fourteen until a year ago I suffered from painful periods," writes Mrs. Bessie Hayes. "Each month I had fainting spells and fits of dizziness. Had bearing-down pains, backache and headache and was very wretched. I doctored a great deal but did not seem to improve. I also tried old-fashioned remedies without avail. On the advice of a relative who had been benefited by Dr. Pierce's Favorite Prescription, I began to take your remedy about eighteen months ago. With the first bottle I felt better, and as I continued taking the medicine there was a marked improvement in my condition. Within a few months the medicine made me strong and well and I cannot find words with which to adequately express my gratitude to Dr. Pierce for giving such a boon to suffering women."

"I soon found he was right."

"Dr. Pierce's Favorite Prescription has done me a world of good," writes Mrs. Mattie Bayless. "Ever since marriage I have been in poor health. Kept getting more and more tired, had splitting headaches, grew morose and blue and was not a fit helpmate for any man. I had to be waited on and was unable to attend to my household duties. The least thing would upset me and I was cross and irritable. Tried three kinds of medicine as prescribed by the doctors but as I got no better my husband said, 'Stop the doctors and take Doctor Pierce's Favorite Prescription.' I soon found out he was right. I was better within ten days than I had been for two years, and each week I kept getting stronger. Am to-day in perfect health, can do all my work easily, feel bright and cheerful because I am well. I would not have been without the 'Favorite Prescription' for ten times what it cost."

MRS. BAYLESS.

MISS DEVAL.

Malaria and Liver Trouble.

"I was a victim of malaria so common in the South, and also had liver trouble," writes Miss Lucile Deval. "Doctored for some time but my condition continued to grow worse and I began to despair of recovery. Finally Doctor Pierce's Golden Medical Discovery was recommended and I am happy to say that a course of treatment with this remedy was most effectual. I soon began to improve, appetite returned, my complexion became clear and bright. I regained my good spirits and was soon restored to health. I cannot say enough in favor of your medicine."

Dr. Pierce's Favorite Prescription is the only woman's remedy the makers of which are not afraid to publish its ingredients on its wrappers.

Catarrh and Gastritis.

MRS. FULLER.

"I write to thank Doctor Pierce for his valuable medicines," says Mrs. E. Fuller. "For three years I suffered with indigestion and gastritis, also catarrh of the stomach in its worst form. I went to several doctors in New York and could get no relief until a friend advised me to try Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery.' I took three bottles of each and the result is I feel like a new woman. I eat well and do not feel the terrible distress I always had after meals. Before I took Doctor Pierce's medicines I would lie awake for hours at a time: now I sleep well and feel refreshed when I awake and am able to attend to my household duties. Everybody compliments me on looking so well. I have also gained in flesh.

"Dr. Pierce's medicines have proved the best medicines I ever used and I would not be without a bottle in time of need for ten times its cost."

MRS. LAWING.

Nervousness and Indigestion.

"I was a sufferer from indigestion and nervousness, and after taking two bottles of Dr. Pierce's Golden Medical Discovery I was greatly benefited and feel myself about cured," writes Mrs. R. F. Lawing. "I hope that this humble testimony may be the means of leading others to try your valuable remedy."

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.

Displacement of the Womb.

MRS. KING.

"Last fall after the heat of summer, I felt quite prostrated," writes Mrs. M. C. King. "Had been suffering with female trouble, falling of the womb, for nearly two years, and this made me nervous, weak and hysterical.

"I doctored till I became discouraged, when I saw an advertisement recommending Dr. Pierce's Favorite Prescription for just such troubles as those from which I suffered. I sent for a bottle and was glad to find that it brought me the first real relief I had known for months. My appetite which had been poor and fitful was increased and the food tasted so good, it was a pleasure to sit down to the table; I slept more soundly than I had for months, and gradually new life and strength returned to me. Within three months I was a changed woman. Am all right now, have neither aches nor pains, can walk and work without getting weary, and my nervousness is completely gone. I gladly endorse your splendid medicine for sick women."

Facts for Weak Women

Nine-tenths of all the sickness of women is due to some derangement or disease of the organs distinctly feminine. Such sickness can be cured — is cured every day by

Dr. Pierce's Favorite Prescription

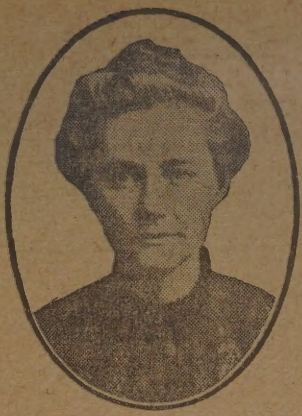
It Makes Weak Women Strong, Sick Women Well.

It acts directly on the organs affected and is at the same time a general restorative tonic for the whole system. It cures female complaint right in the privacy of home. In most cases it makes unnecessary the disagreeable questioning, examinations and local treatment so universally insisted upon by doctors, and so abhorrent to every modest woman.

For over 40 years Dr. Pierce's Family Medicines have kept the lead and still stand in the front rank as curative agents. They are little advertised now, as compared with many others, resting, as they do for popularity upon their many years of marvelous cures and the grateful friends they have made. Ask your neighbors. They must know of many cures of cases of female weakness and kindred ailments of women due to the use of "Favorite Prescription."

We shall not particularize here as to the symptoms of those peculiar affections incident to women, but those wanting full information as to their symptoms and means of positive cure are referred to the People's Common Sense Medical Adviser—1008 pages, newly revised and up-to-date Edition, sent *free* in French cloth binding, on receipt of 31 one-cent stamps to cover cost of wrapping and mailing *only*. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, President, No. 663 Main St., Buffalo, N. Y.

Nervous Prostration Cured.

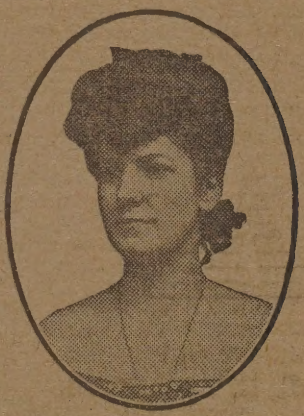


MRS. HANKINS.

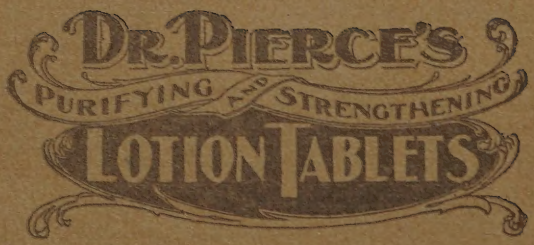
"I wrote you about two years ago in regard to my health which was very poor at that time due to a miscarriage," writes Mrs. Mollie Hankins, "I was so nervous I could not sleep at night. The doctor said I was in a bad condition. My husband wrote you for advice and we received a letter from you telling me what to do. I commenced your treatment and in a few weeks was up and able to do my housework. I took five bottles of Dr. Pierce's Favorite Prescription and was cured of my troubles, and in one year from that time I gave birth to a fine girl baby. She is now eleven months old and we are both in good health and I feel that I owe my thanks to Dr. Pierce and his medicines."

Ulcers Healed.

"At one time I had the greatest horror of ulcers, believing that they were practically incurable but I have changed my opinion most decidedly," writes Miss Bertha Tipton, "About two years ago I broke out with little sores on my limb just below the knee. Went to our family physician who told me I needed some medicine to purify my blood. He prescribed for me and also directed that I should use a certain lotion on the sores, They did not yield to the treatment and became more and more obnoxious. I became discouraged and quit the doctor's treatment, believing that I was incurable. Having read of the cures effected by your remedies I bought a bottle of Dr. Pierce's Golden Medical Discovery. Before I had finished taking the first bottle the ulcers began to dry up, and by continuing the medicine I was entirely rid of the sores within a few weeks and have not had any recurrence of them. My blood is in excellent condition, a cut healing within a few days. In addition, I am enjoying unusually good health and no longer have the tired, drowsy feeling."



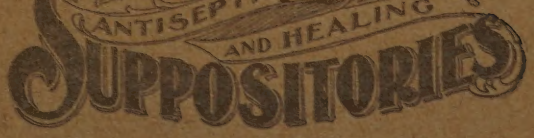
MISS TIPTON.



In all cases of Female Weakness, attended by a pelvic drain, or offensive discharge, in addition to a persistent use of Dr. Pierce's Favorite Prescription as a constitutional, tonic and supportive treatment, **do not fail to use** a solution of these "Lotion Tablets" with approved female syringe—for local **strengthening and healing effects.**

The cleansing, antiseptic and tonic effects of this lotion are particularly beneficial and curative in all obstinate and long standing cases. In prolapsus, or falling of the womb, do not fail to use this valuable aid to the treatment. If your dealer does not have the "Tablets" in stock (as most of them have), mail 25 cents in one-cent stamps to World's Dispensary Medical Association, Buffalo, N. Y., and you will receive them by return post.

If ulceration is suspected, from the persistency of the discharge and its failure to yield, in due time, to the use of the "Favorite Prescription" and the "Purifying and Strengthening Lotion Tablets" solution, do not fail to apply one of



Pressing the Suppository well up against the mouth of the uterus, first having cleansed the parts thoroughly with hot water and soap.

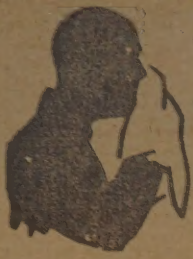
This application should be repeated every second or third night. The use of the "Lotion Tablet" solution may be omitted on nights when "Suppositories" are applied.

The "Antiseptic and Healing Suppositories" can do no harm in any case. They are a very efficient part of the treatment in all cases of ulceration about the mouth or neck of the uterus. They are also very useful in *prolapsus* or falling of the internal feminine organs.

If your druggist does not have them in stock, send 25 cts. in one-cent stamps to World's Dispensary Medical Association, Buffalo, N. Y., and receive them by return post.

CHRONIC NASAL CATARRH

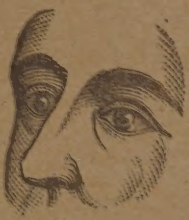
is a disease so common, that hawking, blowing and expectorating meet us at every turn. Few diseases are less understood, or more unskilfully treated by physicians.



SYMPTOMS.—Frequent headache, lassitude, lack of ambition or energy; discharge falling into the throat, sometimes profuse, watery, acrid, thick and tenacious, mucous, purulent, offensive, etc.; in others a dryness; watery, weak or inflamed eyes; obstruction of nasal passages, ringing in ears, deafness, hawking and coughing to clear the head and throat, ulcerations, voice altered, offensive breath, impaired smell, taste, and hearing, mental depression, indigestion, dyspepsia, enlarged tonsils and sometimes tickling cough.

All the above symptoms are *common* to the disease in some of its stages or complications, yet thousands of cases terminate in serious throat and lung affections, and end in the grave, without having manifested one-third of the above symptoms. As a local application for healing the diseased condition in the head

DR. SAGE'S CATARRH REMEDY



is very efficient. It is mild and pleasant to use, producing no smarting or pain. It is guaranteed to contain no harmful, poisonous, or habit-forming drugs. Dr. Pierce's Golden Medical Discovery should be taken to correct the blood—which is always at fault in these cases—and to act specifically upon the diseased glands and lining membrane of the nose. The Catarrh Remedy fluid should be used *warm* and, preferably, with *Doctor Pierce's Nasal Douche*—by which it can be perfectly applied to all the affected passages.

Dr. Sage's Catarrh Remedy promptly subdues acute attacks of "cold in the head," which would otherwise often result in Chronic Catarrh. Its cleansing, antiseptic, soothing and healing properties are very pronounced. Sold by druggists, or mailed on receipt of 50 cents, in one or two cent stamps. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

Assist Nature

A little now and then, with a searching and cleansing, yet gentle cathartic, to remove offending matter from the stomach and bowels, to tone up and invigorate the liver and quicken its tardy action, and you thereby avoid a multitude of diseases.

If people would pay more attention to properly regulating the action of their bowels, they would have less frequent occasion to call for their doctor's services to subdue attacks of dangerous diseases.

Of all known agents to accomplish this purpose, Dr. Pierce's Pleasant Pellets are unequaled. Their secondary effect is to keep the bowels open and regular, not to further constipate. Hence their great popularity with sufferers from habitual constipation, piles and their attendant discomfort.

Regulate Stomach, Liver, Bowels.

One little "Pellet" is a laxative, two or three are cathartic. They regulate and cleanse the liver, stomach and bowels—quickly, but thoroughly. They are tiny, sugar-coated, anti-bilious granules, scarcely larger than mustard seeds. Easy to take as candy.

Let the druggist who says something else is "just as good" sell that something else to somebody else. Don't let him trifle with your health for the sake of a little more profit to himself. DR. PIERCE'S PLEASANT PELLETS—it's an easy name to remember—be *sure* you get what you ask for.

DR. PIERCE'S

ANODYNE PILE OINTMENT

is a soothing, cooling, healing, antiseptic application and will cure all cases amenable to medical treatment. Of course, it will be understood that in very old and obstinate cases, and when the tumors are very large and have become hard or calloused, nothing but personal treatment, applied by a specialist for these affections, will permanently cure them. Our Specialists annually cure hundreds of such bad cases where Dr. Pierce's Ointment *or any other medical treatment*, self-applied, would not be sufficient to make a perfect and permanent cure. The "Anodyne Ointment" is a very soothing and healing application for Anal Fissures, or Cracks, and kindred troubles.

Sold at 50 cents by all medicine dealers, or sent by mail, post-paid to any address on receipt of above price in postage stamps. Address, WORLD'S DISPENSARY MEDICAL ASSOCIATION, 663 Main Street, Buffalo, N. Y.

Organized with a Full Staff of Physicians and Surgeons

FOR THE TREATMENT OF

ALL CHRONIC DISEASES.

We have not the space to speak, individually, of the large number of professional gentlemen composing the Faculty of this old and world-famed Institution, but will say that among them are those whose long connection with the Invalids' Hotel and Surgical Institute has rendered them *experts* in their several specialties.

Advantages of Specialties.

By thorough organization and subdividing the practice of medicine and surgery in our Institutions, every invalid is treated by a specialist—one who devotes his undivided attention to the particular class of diseases to which the case belongs. The advantage of this arrangement must be obvious.

Not Necessary to See Patients.

By our system of diagnosis, we can treat many chronic diseases as successfully without as with a personal consultation.

Diseases of Women.

So alarmingly prevalent are those chronic diseases peculiar to women, and so famous have our Institutions become for their cure, that we were long ago obliged to create a Special Department, now thoroughly organized, and devoted *exclusively* to the treatment of these cases. The physicians and surgeons in this Department have made these delicate diseases their sole study.

Many are brought to our Institutions from distant States on beds, and go home in a few weeks well and strong. Quite as marvelous are the thousands of cures annually accomplished through correspondence, while the patients remain at home among their friends. Others come and consult us personally, are examined, prescribed for, and allowed to return home to carry out the treatment. Every case consulting our specialists, whether by letter or in person, is given the most careful and considerate attention. Not the slightest symptom or peculiarity of constitution escapes our specialists' attention and *deliberate* consideration. Every important case (and we get few which have not already baffled the skill of the home physicians), has the benefit of skilled specialists.

A Boon to Women.

By our new and improved method of treatment, with Electrolysis and other means of our discovery and invention, many **Fibroid** and **Fibro-Cystic Tumors** of the **Uterus**, and **Ovarian Tumors** are readily reduced, and permanently cured, without pain, shock, or risk. These tumors are generally regarded as incurable by the profession, except when removed with the knife.

Ovarian Tumors.

This Treatise cites numerous bad cases of both Fibro-Cystic and Ovarian Tumors which have been cured by our specialists without resort to the knife. Our surgeons only operate for the removal of Ovarian Tumors in exceptional cases, that is, when the tumor is very large, is interfering seriously with the health, and when its attachments are not so extensive as to preclude the possibility of successful removal with the knife. Yet, their practice annually requires them to remove many Ovarian Tumors, not favorable for reduction and cure by electrolysis. They have thereby acquired a national fame for the extraordinary success of their ovariotomy operations.

BARRENNESS, or STERILITY, is generally due to causes which can be easily removed, yet are not understood by physicians, who often treat lightly a subject fraught with so much importance to humanity. Our specialists have devoted to this subject careful study. By their skill, stricture of the neck of the uterus, and other **impediments to the bearing of offspring,** have been easily and painlessly overcome, and hundreds of homes thereby made happy.
